## Here's what past participants had to say:

“When I first read the 2016 CRHP brochure, I felt a gentle ‘nudge’ from God that I should attend but was reluctant to commit to a weekend. I decided to wait, but when I called days later, it was filled; only because of a cancellation was I able to participate! I have to say that the Good Lord knew what He was doing with that nudge! The 2016 CRHP weekend not only re-ignited the fire of my faith (that needed a good jolt) but my spirit as well! And, more importantly, it renewed and enhanced my relationship with God in ways that I’m still discovering!” - Sandy Tome

“Throughout the entire weekend program I felt love and community. The weekend was nothing short of amazing.” -Marcia Frank

“What a truly life-changing, transformative experience that extends well beyond the weekend! I’m so thankful that I invested the time because it helped me grow closer to our Lord. It also brought me unexpected joy to connect with others about our faith. To feel the Holy Spirit work within myself and within the group was just so awesome!” -Karen Tantillo
